

# SINZOS

SINZOS vases, shaped entirely by hand, have their surfaces scratched by the tools with which they are made. Welding, from a fundamental process for their union, becomes a scar, an expressive sign and a fundamental component of BAM's language

## TECHNICAL DATA

| NAME      | MEASURES | WEIGHT KG |
|-----------|----------|-----------|
| SINZOS 33 | ∅ 33     | 1         |
| SINZOS 50 | ∅ 50     | 2.2       |
| SINZOS 65 | ∅ 65     | 3.5       |

MATERIAL: STEEL
